BID NOTICE (Issued February 8, 2021)**

CANCELLATION of BID OPENING

Please be advised that the scheduled February 9, 2021 Bid Opening for the "WEST WINDSOR TOWNSHIP CONOVER FIELD IMPROVEMENTS at SOUTH POST ROAD," is hereby canceled. The cancellation is necessary due to a discrepancy in the bid quantities as compared to the quantities on the individual plan sheets, which could result in irresponsible bidding and/or renegotiation of some unit costs to award a contract. There is insufficient time to issue an addendum or postponement to rectify the error. It is not possible to meet the requirements of N.J.S.A. 40A:11-23 and 18A:18A-21.

Acknowledgement of this notice is not required as the bid opening is cancelled.

NO BIDS ARE TO BE RECEIVED.
NO BIDS WILL BE OPENED.

All vendors (pursuant to N.J.A.C. 5:34-9.3) shall be allowed to retrieve any bids (unopened) that have been:

- Submitted at or before the date of this cancellation.
- Previously sent but arriving by the time of cancellation; or
- For those not picked up by a vendor within 10 business days of being notified of their availability, the Township will return them, unopened, by certified mail or other delivery service that provide a delivery receipt.

The Township will publish any new bid notice, in accordance with N.J.S.A. 40A:11-23 and 18A:18A-21., for this project when such determination has been made.
