SUBCONTRACTOR DECLARATION and LIST OF SUBCONTRACTORS

IF THE PROJECT'S SCOPE OF WORK INVOLVES SPECIALTY TRADE CATEGORIES, PLEASE LIST SUBCONTRACTOR INFORMATION AND/OR SUB-SUBCONTRACTOR INFORMATION BELOW.

There shall be submitted proof that each subcontractor is qualified in accordance with the rules and regulations of the State of New Jersey when such rules and regulations exist.

Each Bidder shall set forth in the Bid, the names, addresses and license numbers (when required) of each subcontractor for the furnishing of plumbing and gas fitting, and all kindred work, and of the steam and hot water heating and ventilating apparatus, steam power plants and kindred work, and electrical work, structural steel and ornamental iron work, if any, for the construction, alteration or repair of any public buildings.

A General Contractor that intended to utilize a specific subcontractor to perform work in one or more of the specialty trade categories shall provide the required information with regard to that subcontractor in the appropriate space for each specialty trade category applicable to the contract.

All Bidders seeking to perform plumbing work on a publicly bid contract are required to comply with N.J.S.A. 45:14C-2 and N.J.A.C. 13:23-1.3. These provisions require that plumbing work on such contract may only be performed by an entity in which a licensed master plumber owns not less than 10% of the issued and outstanding shares of stock in the corporation, or not less than 10% of the capital of the partnership, or not less than 10% of the ownership of any other legal firm or legal entity. Accordingly, if a Bidder intends to perform plumbing work on a publicly bid contract with its own employees or by the Bidder himself, a master plumber must possess an ownership interest that complies with N.J.S.A. 45:14C-2 and N.J.A.C. 13:23-1.3 in the entity submitting the bid. Alternately, if a Bidder intends to perform such work through a subcontractor, a master plumber must possess an ownership interest that complies with N.J.S.A. 45:14C-2 and N.J.A.C. 13:23-1.3.

If the project's scope of work involves specialty trade categories, the General Contractor that intends to perform work in one or more of the specialty trade categories through the use of its own employees or the General Contractor himself rather than through the utilization of a subcontractor shall write the words "**IN-HOUSE**" next to each applicable category and then insert the name, and the license number where required, of each such employee of the General Contractor or the General Contractor himself in the appropriate spaces for each specialty trade category applicable to the contract.

If the contract does not involve any of the specialty trade categories, please write the word "**NONE**" in the appropriate space provided.

During the performance of this contract, the Contractor agrees as follows:

The Contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the Contractor will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such equal employment opportunity shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The Contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The Contractor or subcontractor will send to each labor union, with which it has a collective bargaining agreement, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the Contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The Contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer, pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

When hiring or scheduling workers in each construction trade, the Contractor or subcontractor agrees to make good faith efforts to employ minority and women workers in each construction trade consistent with the targeted employment goal prescribed by N.J.A.C. 17:27-7.2; provided, however, that the Department of Labor & Workforce Development (Dept. of LWD), Construction EEO Monitoring Program, may, in its discretion, exempt a Contractor or subcontractor from compliance with the good faith procedures prescribed by the following provisions, A, B, and C, as long as the Dept. of LWD, Construction EEO Monitoring Program is satisfied that the Contractor or

SIDEWALK REPAIR PROGRAM - 2024**EXHIBIT B** (Cont.)

subcontractor is employing workers provided by a union which provides evidence, in accordance with standards prescribed by the Dept. of LWD, Construction EEO Monitoring Program, that its percentage of active "card carrying" members who are minority and women workers is equal to or greater than the targeted employment goal established in accordance with N.J.A.C. 17:27-7.2. The Contractor or subcontractor agrees that a good faith effort shall include compliance with the following procedures:

(A) If the Contractor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the Contractor or subcontractor shall, within three business days of the contract award, seek assurances from the union that it will cooperate with the Contractor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et. seq., as supplemented and amended from time to time and the Americans with Disabilities Act. If the Contractor or subcontractor is unable to obtain said assurances from the construction trade union at least five business days prior to the commencement of construction work, the Contractor or subcontractor agrees to afford equal employment opportunities minority and women workers directly, consistent with this chapter. If the Contractor's or subcontractor's prior experience with a construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and women workers consistent with affording equal employment opportunities as specified in this chapter, the Contractor or subcontractor agrees to be prepared to provide such opportunities to minority and women workers directly, consistent with this chapter, by complying with the hiring or scheduling procedures prescribed under (B) below; and the Contractor or subcontractor further agrees to take said action immediately if it determines that the union is not referring minority and women workers consistent with the equal employment opportunity goals set forth in this chapter.

(B) If good faith efforts to meet targeted employment goals have not or cannot be met for each construction trade by adhering to the procedures of (A) above, or if the Contractor does not have a referral agreement or arrangement with a union for a construction trade, the Contractor or subcontractor agrees to take the following actions:

(1) To notify the public agency compliance officer, the Dept. of LWD, Construction EEO Monitoring Program, and minority and women referral organizations listed by the Division pursuant to N.J.A.C. 17:27-5.3, of its workforce needs, and request referral of minority and women workers;

(2) To notify any minority and women workers who have been listed with it as awaiting available vacancies;

(3) Prior to commencement of work, to request that the local construction trade union refer minority and women workers to fill job openings, provided the Contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade;

(4) To leave standing requests for additional referral to minority and women workers with the local construction trade union, provided the Contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade, the State Training and Employment Service and other approved referral sources in the area;

SIDEWALK REPAIR PROGRAM - 2024**EXHIBIT B** (Cont.)

(5) If it is necessary to lay off some of the workers in a given trade on the construction site, layoffs shall be conducted in compliance with the equal employment opportunity and nondiscrimination standards set forth in this regulation, as well as with applicable Federal and State court decisions;

(6) To adhere to the following procedure when minority and women workers apply or are referred to the Contractor or subcontractor:

(i) The Contractor or subcontractor shall interview the referred minority or women worker.

(ii) If said individuals have never previously received any document or certification signifying a level of qualification lower than that required in order to perform the work of the construction trade, the Contractor or subcontractor shall in good faith determine the qualifications of such individuals. The Contractor or subcontractor shall hire or schedule those individuals who satisfy appropriate qualification standards in conformity with the equal employment opportunity and non-discrimination principles set forth in this chapter. However, a Contractor or subcontractor shall determine that the individual at least possesses the requisite skills, and experience recognized by a union, apprentice program or a referral agency, provided the referral agency is acceptable to the Dept. of LWD, Construction EEO Monitoring Program. If necessary, the Contractor or subcontractor shall hire or schedule minority and women workers who qualify as trainees pursuant to these rules. All of the requirements, however, are limited by the provisions of (C) below.

(iii) The name of any interested women or minority individual shall be maintained on a waiting list and shall be considered for employment as described in (i) above, whenever vacancies occur. At the request of the Dept. of LWD, Construction EEO Monitoring Program, the Contractor or subcontractor shall provide evidence of its good faith efforts to employ women and minorities from the list to fill vacancies.

(iv) If, for any reason, said Contractor or subcontractor determines that a minority individual or a woman is not qualified or if the individual qualifies as an advanced trainee or apprentice, the contractor or subcontractor shall inform the individual in writing of the reasons for the determination, maintain a copy of the determination in its files, and send a copy to the public agency compliance officer and to the Dept. of LWD, Construction EEO Monitoring Program.

(7) The Contractor or subcontractor agrees to keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Dept. of LWD, Construction EEO Monitoring Program and submitted promptly to the Dept. of LWD, Construction EEO Monitoring Program upon request.

(C) The Contractor or subcontractor agrees that nothing contained in (B) above shall preclude the Contractor or subcontractor from complying with the union hiring hall or apprenticeship policies in any applicable collective bargaining agreement or union hiring hall arrangement, and, where required by custom or agreement, it shall send journeymen and trainees to the union for referral, or to the apprenticeship program for admission, pursuant to such agreement or arrangement. However, where the practices of a union or apprenticeship program will result in the exclusion of minorities and

SIDEWALK REPAIR PROGRAM - 2024

EXHIBIT B (Cont.)

women or the failure to refer minorities and women consistent with the targeted county employment goal, the Contractor or subcontractor shall consider for employment persons referred pursuant to (B) above without regard to such agreement or arrangement; provided further, however, that the Contractor or subcontractor shall not be required to employ women and minority advanced trainees and trainees in numbers which result in the employment of advanced trainees and trainees as a percentage of the total workforce for the construction trade, which percentage significantly exceeds the apprentice to journey worker ratio specified in the applicable collective bargaining agreement, or in the absence of a collective bargaining agreement, exceeds the ratio established by practice in the area for said construction trade. Also, the Contractor or subcontractor agrees that, in implementing the procedures of (B) above, it shall, where applicable, employ minority and women workers residing within the geographical jurisdiction of the union.

After notification of award, but prior to signing a construction contract, the Contractor shall submit to the public agency compliance officer and the Dept. of LWD, Construction EEO Monitoring Program an initial project workforce report (Form AA-201) electronically provided to the public agency by the Dept. of LWD, Construction EEO Monitoring Program, through its website, for distribution to and completion by the Contractor, in accordance with N.J.A.C. 17:27-7. The Contractor also agrees to submit a copy of the Monthly Project Workforce Report once a month thereafter for the duration of this contract to the Dept. of LWD, Construction EEO Monitoring Program, and to the public agency compliance officer.

The Contractor agrees to cooperate with the public agency in the payment of budgeted funds, as is necessary, for on-the-job and/or off-the-job programs for outreach and training of minorities and women.

(D) The Contractor and its subcontractors shall furnish such reports or other documents to the Dept. of LWD, Construction EEO Monitoring Program as may be requested by the Dept. of LWD, Construction EEO Monitoring Program from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Dept. of LWD, Construction EEO Monitoring Program for conducting a compliance investigation pursuant to N.J.A.C. 17:27-1.1 et seq.

SIDEWALK REPAIR PROGRAM - 2024

Section 7. Acknowledgement of compliance with Section 11 of Chapter 150 of the Public Laws of 1963 (C.34:11-56.35 et seq.)

Contractor hereby acknowledges its duty to comply with C.34:11-56.35 as amended by P.L. 2019 c.158. This statute allows the Commissioner of Labor and Workforce Development to immediately issue a stop-work order if it makes an initial determination that an employer has violated the Prevailing Wage Act by paying wages at rates less than the rates required under the act. Such stop-work order will remain in effect until the employer has agreed to pay the required wages, any wages due and any penalty, and the Commissioner of Labor and Workforce Development issues a subsequent order releasing the stop-work order. If the stop-work order is issued against a subcontractor, the General Contractor has the right to terminate such subcontractor. A \$5,000 per day civil penalty may be imposed against any employer violating the stop-work order. Furthermore, the Department of Labor and Workforce Development is entitled to enter the place of business during usual business hours to determine compliance with wage and hour laws by examining payroll and other records, interviewing employees, calling hearings, administering oaths, taking testimony under oath and taking depositions to determine compliance with wage and hour laws. Any employer or agent of the employer who willfully fails to furnish time and wage record or who refuses to admit the Department into the place or who hinders or delays the Department in the performance of duties may be fined not less than \$1,000 and will be guilty of a disorderly person offense, with each day of continuing noncompliance or hindrance constituting a separate offense.

Contractor hereby agrees that it shall not submit any change order for increased compensation related to delay, remobilization, liquidated damages, or other similar grounds resulting from a stop-work order issued under this law, regardless of whether the underlying violation was intentional or unintentional, or whether such violation was committed by the Bidder or any of its Subcontractors.

Section 8. Furnishing of Maintenance Bond.

The Contractor shall be obligated to provide a maintenance bond to the Township following the completion of services under this contract, pursuant to the bid specifications.

Section 9. Liquidated Damages.

In the event of the failure of the Contractor to fulfill its obligations hereunder within the time stated herein, the Contractor shall be liable to the Township in the sum of *Seven Hundred and Fifty Dollars (\$750.00) per day* for each day the contract remains incomplete. The sum shall be treated as liquidated damages and not a penalty for the loss of the Township of the use of the premises in a completed state of construction, alteration or repair and for added administrative and inspection costs to the Township on account of the delay; provided, however, that said liquidated damages shall be in addition to other consequential losses or damages that the Township may incur by reason of such delay, such as, but not limited to, added cost to the project and the cost of furnishing temporary accommodations for Township operations. Any such sums for which the Contractor is liable may be deducted by the Township from any monies due or to become due to the Contractor.

The said amount is fixed and agreed upon by and between the Contractor and the Township because of the impracticality and extreme difficulty affixing and ascertaining the actual damages the Township will suffer.

SIDEWALK REPAIR PROGRAM - 2024**Section 10. General Conditions.**

- a. This Agreement incorporates by reference all provisions of the bid documents, including specifications and general conditions and instructions to bidders. This Agreement and the bid documents supersede all other representations and understandings between the parties.
- b. This Agreement is binding upon the Township, its successors or assigns and upon the Contractor and its successors. This Agreement may not be assigned by the Contractor.
- c. The Township shall recognize only the Contractor for the proper execution of this Agreement and work performed under this Agreement in accordance with the Contract Documents. Approval of a Subcontractor by the Township in no way relieves the Contractor from full responsibility for fulfilling all conditions of the Agreement.
- d. This Agreement shall be governed by and interpreted under the laws of the State of New Jersey.
- e. Any notices to be given under this Agreement shall be via first-class mail, addressed to the respective party at the address first appearing in this Agreement.

IN WITNESS WHEREOF, the Township has caused this instrument to be signed by its Mayor, attested to by its Clerk and its corporate seal is hereunto affixed, pursuant to a Resolution of the Township Council of the Township of West Windsor passed for that purpose, and the Contractor has set its hand and seal the day and year first written above.

SIDEWALK REPAIR PROGRAM - 2024**PREVAILING WAGE AFFIDAVIT**

The successful bidder agrees to comply with the New Jersey Prevailing Wage Act, N.J.S.A. 34:11-56.25 et seq. (P.L.1963, Chapter 150 as amended by P.L. 2019 c.158) for contracts entered into with the Township of West Windsor, except those contracts which are not within the scope of the act.

The successful bidder and any of its subcontractors shall be obligated to pay the prevailing wage, to submit certified payrolls as documentation of compliance and to permit on-site monitoring, including interviews with employees and review subcontracts by Township representatives. The bidder's signature on this proposal is his guarantee that neither he nor any subcontractor that he may employ to perform the work covered by this bid are listed or are on record in the Office of the Commission of the New Jersey Department of Labor as one who has failed to pay prevailing wages in accordance with the provisions of this act.

Every Contractor and subcontractor shall keep an accurate payroll record, showing the name, craft or trade, job title or classification, actual hourly rate or wages paid, hours worked and total wages paid to each workman employed by him/her in connection with a public work. Payroll records shall be preserved for a period of two (2) years from the date of payment.

The successful bidder agrees to indemnify and hold harmless the Township of West Windsor, the Township Council of the Township of West Windsor and all of its officers, agents and employees of and from any and all liability damages and attorney fees associated with a New Jersey Department of Labor investigation and/or determination that the New Jersey Prevailing Wage Act was not complied with.

The statute (N.J.S.A. 34:11-56.35 as amended by P.L. 2019 c.158) allows the Commissioner of Labor and Workforce Development to **immediately issue a stop-work order** if it makes an initial determination that an employer has violated the Prevailing Wage Act by paying wages at rates less than the rates required under the act. Such stop-work order will remain in effect until the employer has agreed to pay the required wages, any wages due and any penalty, and the Commissioner of Labor and Workforce Development issues a subsequent order releasing the stop-work order. If the stop-work order is issued against a subcontractor, the general Contractor has the right to terminate such subcontractor. A \$5,000 per day civil penalty may be imposed against any employer violating the stop-work order.

Furthermore, the Department of Labor and Workforce Development is entitled to enter the place of business during usual business hours to determine compliance with wage and hour laws by examining payroll and other records, interviewing employees, calling hearings, administering oaths, taking testimony under oath and taking depositions to determine compliance with wage and hour laws. Any employer or agent of the employer who willfully fails to furnish time and wage record or who refuses to admit the Department into the place or who hinders or delays the Department in the performance of duties may be fined not less than \$1,000 and will be guilty of a disorderly person offense, with each day of continuing noncompliance or hindrance constituting a separate offense.

Contractor agrees that it shall not submit any change order for increased compensation related to delay, remobilization, liquidated damages, or other similar grounds resulting from a stop-work order issued under this law, regardless of whether the underlying violation was intentional or unintentional, or whether such violation was committed by the Bidder or any of its subcontractors.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

SIDEWALK REPAIR PROGRAM - 2024**SUBCONTRACTOR DECLARATION and LIST OF SUBCONTRACTORS**

IF THE PROJECT'S SCOPE OF WORK INVOLVES SPECIALTY TRADE CATEGORIES, PLEASE LIST SUBCONTRACTOR INFORMATION AND/OR SUB-SUBCONTRACTOR INFORMATION BELOW.

There shall be submitted proof that each subcontractor is qualified in accordance with the rules and regulations of the State of New Jersey when such rules and regulations exist.

Each Bidder shall set forth in the Bid, the names, addresses and license numbers (when required) of each subcontractor for the furnishing of plumbing and gas fitting, and all kindred work, and of the steam and hot water heating and ventilating apparatus, steam power plants and kindred work, and electrical work, structural steel and ornamental iron work, if any, for the construction, alteration or repair of any public buildings.

A General Contractor that intended to utilize a specific subcontractor to perform work in one or more of the specialty trade categories shall provide the required information with regard to that subcontractor in the appropriate space for each specialty trade category applicable to the contract.

All Bidders seeking to perform plumbing work on a publicly bid contract are required to comply with N.J.S.A. 45:14C-2 and N.J.A.C. 13:23-1.3. These provisions require that plumbing work on such contract may only be performed by an entity in which a licensed master plumber owns not less than 10% of the issued and outstanding shares of stock in the corporation, or not less than 10% of the capital of the partnership, or not less than 10% of the ownership of any other legal firm or legal entity. Accordingly, if a Bidder intends to perform plumbing work on a publicly bid contract with its own employees or by the Bidder himself, a master plumber must possess an ownership interest that complies with N.J.S.A. 45:14C-2 and N.J.A.C. 13:23-1.3 in the entity submitting the bid. If the project's scope of work involves specialty trade categories, the General Contractor that intends to perform work in one or more of the specialty trade categories through the use of its own employees or the General Contractor himself rather than through the utilization of a subcontractor shall write the words "**IN-HOUSE**" next to each applicable category and then insert the name, and the license number where required, of each such employee of the General Contractor or the General Contractor himself in the appropriate spaces for each specialty trade category applicable to the contract.

SIDEWALK REPAIR PROGRAM - 2024**(REVISED 4/10)****EXHIBIT B****MANDATORY EQUAL EMPLOYMENT OPPORTUNITY LANGUAGE****N.J.S.A. 10:5-31 et seq. (P.L.1975, c.127)****N.J.A.C. 17:27-1.1 et seq.****CONSTRUCTION CONTRACTS**

During the performance of this contract, the Contractor agrees as follows:

The Contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the Contractor will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such equal employment opportunity shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The Contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The Contractor or subcontractor will send to each labor union, with which it has a collective bargaining agreement, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the Contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The Contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer, pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

When hiring or scheduling workers in each construction trade, the Contractor or subcontractor agrees to make good faith efforts to employ minority and women workers in each construction trade consistent with the targeted employment goal prescribed by N.J.A.C. 17:27-7.2; provided, however, that the Department of Labor & Workforce Development (Dept. of LWD), Construction EEO Monitoring Program, may, in its discretion, exempt a Contractor or subcontractor from compliance with the good faith procedures prescribed by the following provisions, A, B, and C, as long as the Dept. of LWD, Construction EEO Monitoring Program is satisfied that the Contractor or

SIDEWALK REPAIR PROGRAM - 2024**EXHIBIT B** *(Cont.)*

subcontractor is employing workers provided by a union which provides evidence, in accordance with standards prescribed by the Dept. of LWD, Construction EEO Monitoring Program, that its percentage of active "card carrying" members who are minority and women workers is equal to or greater than the targeted employment goal established in accordance with N.J.A.C. 17:27-7.2. The Contractor or subcontractor agrees that a good faith effort shall include compliance with the following procedures:

(A) If the Contractor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the Contractor or subcontractor shall, within three business days of the contract award, seek assurances from the union that it will cooperate with the Contractor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et. seq., as supplemented and amended from time to time and the Americans with Disabilities Act. If the Contractor or subcontractor is unable to obtain said assurances from the construction trade union at least five business days prior to the commencement of construction work, the Contractor or subcontractor agrees to afford equal employment opportunities minority and women workers directly, consistent with this chapter. If the Contractor's or subcontractor's prior experience with a construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and women workers consistent with affording equal employment opportunities as specified in this chapter, the Contractor or subcontractor agrees to be prepared to provide such opportunities to minority and women workers directly, consistent with this chapter, by complying with the hiring or scheduling procedures prescribed under (B) below; and the Contractor or subcontractor further agrees to take said action immediately if it determines that the union is not referring minority and women workers consistent with the equal employment opportunity goals set forth in this chapter.

(B) If good faith efforts to meet targeted employment goals have not or cannot be met for each construction trade by adhering to the procedures of (A) above, or if the Contractor does not have a referral agreement or arrangement with a union for a construction trade, the Contractor or subcontractor agrees to take the following actions:

(1) To notify the public agency compliance officer, the Dept. of LWD, Construction EEO Monitoring Program, and minority and women referral organizations listed by the Division pursuant to N.J.A.C. 17:27-5.3, of its workforce needs, and request referral of minority and women workers;

(2) To notify any minority and women workers who have been listed with it as awaiting available vacancies;

(3) Prior to commencement of work, to request that the local construction trade union refer minority and women workers to fill job openings, provided the Contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade;

(4) To leave standing requests for additional referral to minority and women workers with the local construction trade union, provided the Contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade, the State Training and Employment Service and other approved referral sources in the area;

SIDEWALK REPAIR PROGRAM - 2024**EXHIBIT B** (Cont.)

(5) If it is necessary to lay off some of the workers in a given trade on the construction site, layoffs shall be conducted in compliance with the equal employment opportunity and nondiscrimination standards set forth in this regulation, as well as with applicable Federal and State court decisions;

(6) To adhere to the following procedure when minority and women workers apply or are referred to the Contractor or subcontractor:

(i) The Contractor or subcontractor shall interview the referred minority or women worker.

(ii) If said individuals have never previously received any document or certification signifying a level of qualification lower than that required in order to perform the work of the construction trade, the Contractor or subcontractor shall in good faith determine the qualifications of such individuals. The Contractor or subcontractor shall hire or schedule those individuals who satisfy appropriate qualification standards in conformity with the equal employment opportunity and non-discrimination principles set forth in this chapter. However, a Contractor or subcontractor shall determine that the individual at least possesses the requisite skills, and experience recognized by a union, apprentice program or a referral agency, provided the referral agency is acceptable to the Dept. of LWD, Construction EEO Monitoring Program. If necessary, the Contractor or subcontractor shall hire or schedule minority and women workers who qualify as trainees pursuant to these rules. All of the requirements, however, are limited by the provisions of (C) below.

(iii) The name of any interested women or minority individual shall be maintained on a waiting list and shall be considered for employment as described in (i) above, whenever vacancies occur. At the request of the Dept. of LWD, Construction EEO Monitoring Program, the Contractor or subcontractor shall provide evidence of its good faith efforts to employ women and minorities from the list to fill vacancies.

(iv) If, for any reason, said Contractor or subcontractor determines that a minority individual or a woman is not qualified or if the individual qualifies as an advanced trainee or apprentice, the contractor or subcontractor shall inform the individual in writing of the reasons for the determination, maintain a copy of the determination in its files, and send a copy to the public agency compliance officer and to the Dept. of LWD, Construction EEO Monitoring Program.

(7) The Contractor or subcontractor agrees to keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Dept. of LWD, Construction EEO Monitoring Program and submitted promptly to the Dept. of LWD, Construction EEO Monitoring Program upon request.

(C) The Contractor or subcontractor agrees that nothing contained in (B) above shall preclude the Contractor or subcontractor from complying with the union hiring hall or apprenticeship policies in any applicable collective bargaining agreement or union hiring hall arrangement, and, where required by custom or agreement, it shall send journeymen and trainees to the union for referral, or to the apprenticeship program for admission, pursuant to such agreement or arrangement. However, where the practices of a union or apprenticeship program will result in the exclusion of minorities and

SIDEWALK REPAIR PROGRAM - 2024**EXHIBIT B** (Cont.)

women or the failure to refer minorities and women consistent with the targeted county employment goal, the Contractor or subcontractor shall consider for employment persons referred pursuant to (B) above without regard to such agreement or arrangement; provided further, however, that the Contractor or subcontractor shall not be required to employ women and minority advanced trainees and trainees in numbers which result in the employment of advanced trainees and trainees as a percentage of the total workforce for the construction trade, which percentage significantly exceeds the apprentice to journey worker ratio specified in the applicable collective bargaining agreement, or in the absence of a collective bargaining agreement, exceeds the ratio established by practice in the area for said construction trade. Also, the Contractor or subcontractor agrees that, in implementing the procedures of (B) above, it shall, where applicable, employ minority and women workers residing within the geographical jurisdiction of the union.

After notification of award, but prior to signing a construction contract, the Contractor shall submit to the public agency compliance officer and the Dept. of LWD, Construction EEO Monitoring Program an initial project workforce report (Form AA-201) electronically provided to the public agency by the Dept. of LWD, Construction EEO Monitoring Program, through its website, for distribution to and completion by the Contractor, in accordance with N.J.A.C. 17:27-7. The Contractor also agrees to submit a copy of the Monthly Project Workforce Report once a month thereafter for the duration of this contract to the Dept. of LWD, Construction EEO Monitoring Program, and to the public agency compliance officer.

The Contractor agrees to cooperate with the public agency in the payment of budgeted funds, as is necessary, for on-the-job and/or off-the-job programs for outreach and training of minorities and women.

(D) The Contractor and its subcontractors shall furnish such reports or other documents to the Dept. of LWD, Construction EEO Monitoring Program as may be requested by the Dept. of LWD, Construction EEO Monitoring Program from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Dept. of LWD, Construction EEO Monitoring Program for conducting a compliance investigation pursuant to N.J.A.C. 17:27-1.1 et seq.

- (C) The Contractor or Subcontractor agrees that nothing contained in (B) above shall preclude the Contractor or Subcontractor from complying with the union hiring hall or apprenticeship policies in any applicable collective bargaining agreement or union hiring hall arrangement, and where required by custom or agreement, it shall send journeymen and trainees to the union for referral, or to the apprenticeship program for admission, pursuant to such agreement or arrangement. However, where the practices of a union or apprenticeship program will result in the exclusion of minorities and women or the failure to refer minorities and women consistent with the county employment goal, the Contractor or Subcontractor shall consider for employment persons referred pursuant to (B) above without regard to such agreement or arrangement; provided further, however, that the Contractor or Subcontractor shall not be required to employ women and minority advanced trainees and trainees in numbers which result in the employment of advanced trainees as a percentage of the total workforce for the construction trade, which percentage significantly exceeds the apprentice to journey worker ratio specified in the applicable collective bargaining agreement, or in the absence of a collective bargaining agreement, exceeds the ratio established by practice in the area for said construction trade. Also the Contractor or Subcontractor agrees that, in implementing the procedures of (B) above, it shall, where applicable, employ minority and women workers residing within the geographical jurisdiction of the union.

After notification of award, but prior to signing a construction contract, the Contractor shall submit to the Public Agency Compliance Officer and the Division an initial project workforce report (Form AA 201) provided to the public agency by the Division for distribution to and completion by the Contractor, in accordance with N.J.A.C. 17:27-7. The Contractor also agrees to submit a copy of the Monthly Project Workforce Report once a month thereafter for the duration of this contract to the Division and to the Public Agency Compliance Officer.

The Contractor agrees to cooperate with the public agency in the payment of budgeted funds, as necessary, for on-the-job and/or off-the-job programs for outreach and training of minorities and women.

- (D) The Contractor and its Subcontractors shall furnish such reports or other documents to the Division of Contract Compliance & EEO as may be requested by the Division from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Division of Contract Compliance & EEO for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (N.J.A.C. 17:27).

SIDEWALK REPAIR PROGRAM - 2024**Section 7. Acknowledgement of compliance with Section 11 of Chapter 150 of the Public Laws of 1963 (C.34:11-56.35 et seq.)**

Contractor hereby acknowledges its duty to comply with C.34:11-56.35 as amended by P.L. 2019 c.158. This statute allows the Commissioner of Labor and Workforce Development to immediately issue a stop-work order if it makes an initial determination that an employer has violated the Prevailing Wage Act by paying wages at rates less than the rates required under the act. Such stop-work order will remain in effect until the employer has agreed to pay the required wages, any wages due and any penalty, and the Commissioner of Labor and Workforce Development issues a subsequent order releasing the stop-work order. If the stop-work order is issued against a subcontractor, the General Contractor has the right to terminate such subcontractor. A \$5,000 per day civil penalty may be imposed against any employer violating the stop-work order. Furthermore, the Department of Labor and Workforce Development is entitled to enter the place of business during usual business hours to determine compliance with wage and hour laws by examining payroll and other records, interviewing employees, calling hearings, administering oaths, taking testimony under oath and taking depositions to determine compliance with wage and hour laws. Any employer or agent of the employer who willfully fails to furnish time and wage record or who refuses to admit the Department into the place or who hinders or delays the Department in the performance of duties may be fined not less than \$1,000 and will be guilty of a disorderly person offense, with each day of continuing noncompliance or hindrance constituting a separate offense.

Contractor hereby agrees that it shall not submit any change order for increased compensation related to delay, remobilization, liquidated damages, or other similar grounds resulting from a stop-work order issued under this law, regardless of whether the underlying violation was intentional or unintentional, or whether such violation was committed by the Bidder or any of its Subcontractors.

Section 8. Furnishing of Maintenance Bond.

The Contractor shall be obligated to provide a maintenance bond to the Township following the completion of services under this contract, pursuant to the bid specifications.

Section 9. Liquidated Damages.

In the event of the failure of the Contractor to fulfill its obligations hereunder within the time stated herein, the Contractor shall be liable to the Township in the sum of *Seven Hundred and Fifty Dollars (\$750.00) per day* for each day the contract remains incomplete. The sum shall be treated as liquidated damages and not a penalty for the loss of the Township of the use of the premises in a completed state of construction, alteration or repair and for added administrative and inspection costs to the Township on account of the delay; provided, however, that said liquidated damages shall be in addition to other consequential losses or damages that the Township may incur by reason of such delay, such as, but not limited to, added cost to the project and the cost of furnishing temporary accommodations for Township operations. Any such sums for which the Contractor is liable may be deducted by the Township from any monies due or to become due to the Contractor.

The said amount is fixed and agreed upon by and between the Contractor and the Township because of the impracticality and extreme difficulty affixing and ascertaining the actual damages the Township will suffer.

SIDEWALK REPAIR PROGRAM - 2024

Section 10. General Conditions.

- a. This Agreement incorporates by reference all provisions of the bid documents, including specifications and general conditions and instructions to bidders. This Agreement and the bid documents supersede all other representations and understandings between the parties.
- b. This Agreement is binding upon the Township, its successors or assigns and upon the Contractor and its successors. This Agreement may not be assigned by the Contractor.
- c. The Township shall recognize only the Contractor for the proper execution of this Agreement and work performed under this Agreement in accordance with the Contract Documents. Approval of a Subcontractor by the Township in no way relieves the Contractor from full responsibility for fulfilling all conditions of the Agreement.
- d. This Agreement shall be governed by and interpreted under the laws of the State of New Jersey.
- e. Any notices to be given under this Agreement shall be via first-class mail, addressed to the respective party at the address first appearing in this Agreement.

IN WITNESS WHEREOF, the Township has caused this instrument to be signed by its Mayor, attested to by its Clerk and its corporate seal is hereunto affixed, pursuant to a Resolution of the Township Council of the Township of West Windsor passed for that purpose, and the Contractor has set its hand and seal the day and year first written above.

SIDEWALK REPAIR PROGRAM - 2024**SUBCONTRACTOR DECLARATION and LIST OF SUBCONTRACTORS**

IF THE PROJECT'S SCOPE OF WORK INVOLVES SPECIALTY TRADE CATEGORIES, PLEASE LIST SUBCONTRACTOR INFORMATION AND/OR SUB-SUBCONTRACTOR INFORMATION BELOW.

There shall be submitted proof that each subcontractor is qualified in accordance with the rules and regulations of the State of New Jersey when such rules and regulations exist.

Each Bidder shall set forth in the Bid, the names, addresses and license numbers (when required) of each subcontractor for the furnishing of plumbing and gas fitting, and all kindred work, and of the steam and hot water heating and ventilating apparatus, steam power plants and kindred work, and electrical work, structural steel and ornamental iron work, if any, for the construction, alteration or repair of any public buildings.

A General Contractor that intended to utilize a specific subcontractor to perform work in one or more of the specialty trade categories shall provide the required information with regard to that subcontractor in the appropriate space for each specialty trade category applicable to the contract.

All Bidders seeking to perform plumbing work on a publicly bid contract are required to comply with N.J.S.A. 45:14C-2 and N.J.A.C. 13:23-1.3. These provisions require that plumbing work on such contract may only be performed by an entity in which a licensed master plumber owns not less than 10% of the issued and outstanding shares of stock in the corporation, or not less than 10% of the capital of the partnership, or not less than 10% of the ownership of any other legal firm or legal entity. Accordingly, if a Bidder intends to perform plumbing work on a publicly bid contract with its own employees or by the Bidder himself, a master plumber must possess an ownership interest that complies with N.J.S.A. 45:14C-2 and N.J.A.C. 13:23-1.3 in the entity submitting the bid. Alternately, if a Bidder intends to perform such work through a subcontractor, a master plumber must possess an ownership interest that complies with N.J.S.A. 45:14C-2 and N.J.A.C. 13:23-1.3.

If the project's scope of work involves specialty trade categories, the General Contractor that intends to perform work in one or more of the specialty trade categories through the use of its own employees or the General Contractor himself rather than through the utilization of a subcontractor shall write the words "**IN-HOUSE**" next to each applicable category and then insert the name, and the license number where required, of each such employee of the General Contractor or the General Contractor himself in the appropriate spaces for each specialty trade category applicable to the contract.

If the contract does not involve any of the specialty trade categories, please write the word "**NONE**" in the appropriate space provided.

During the performance of this contract, the Contractor agrees as follows:

The Contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the Contractor will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such equal employment opportunity shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The Contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The Contractor or subcontractor will send to each labor union, with which it has a collective bargaining agreement, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the Contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The Contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer, pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

When hiring or scheduling workers in each construction trade, the Contractor or subcontractor agrees to make good faith efforts to employ minority and women workers in each construction trade consistent with the targeted employment goal prescribed by N.J.A.C. 17:27-7.2; provided, however, that the Department of Labor & Workforce Development (Dept. of LWD), Construction EEO Monitoring Program, may, in its discretion, exempt a Contractor or subcontractor from compliance with the good faith procedures prescribed by the following provisions, A, B, and C, as long as the Dept. of LWD, Construction EEO Monitoring Program is satisfied that the Contractor or

SIDEWALK REPAIR PROGRAM - 2024**EXHIBIT B** *(Cont.)*

subcontractor is employing workers provided by a union which provides evidence, in accordance with standards prescribed by the Dept. of LWD, Construction EEO Monitoring Program, that its percentage of active "card carrying" members who are minority and women workers is equal to or greater than the targeted employment goal established in accordance with N.J.A.C. 17:27-7.2. The Contractor or subcontractor agrees that a good faith effort shall include compliance with the following procedures:

(A) If the Contractor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the Contractor or subcontractor shall, within three business days of the contract award, seek assurances from the union that it will cooperate with the Contractor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et. seq., as supplemented and amended from time to time and the Americans with Disabilities Act. If the Contractor or subcontractor is unable to obtain said assurances from the construction trade union at least five business days prior to the commencement of construction work, the Contractor or subcontractor agrees to afford equal employment opportunities minority and women workers directly, consistent with this chapter. If the Contractor's or subcontractor's prior experience with a construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and women workers consistent with affording equal employment opportunities as specified in this chapter, the Contractor or subcontractor agrees to be prepared to provide such opportunities to minority and women workers directly, consistent with this chapter, by complying with the hiring or scheduling procedures prescribed under (B) below; and the Contractor or subcontractor further agrees to take said action immediately if it determines that the union is not referring minority and women workers consistent with the equal employment opportunity goals set forth in this chapter.

(B) If good faith efforts to meet targeted employment goals have not or cannot be met for each construction trade by adhering to the procedures of (A) above, or if the Contractor does not have a referral agreement or arrangement with a union for a construction trade, the Contractor or subcontractor agrees to take the following actions:

(1) To notify the public agency compliance officer, the Dept. of LWD, Construction EEO Monitoring Program, and minority and women referral organizations listed by the Division pursuant to N.J.A.C. 17:27-5.3, of its workforce needs, and request referral of minority and women workers;

(2) To notify any minority and women workers who have been listed with it as awaiting available vacancies;

(3) Prior to commencement of work, to request that the local construction trade union refer minority and women workers to fill job openings, provided the Contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade;

(4) To leave standing requests for additional referral to minority and women workers with the local construction trade union, provided the Contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade, the State Training and Employment Service and other approved referral sources in the area;

SIDEWALK REPAIR PROGRAM - 2024**EXHIBIT B** *(Cont.)*

(5) If it is necessary to lay off some of the workers in a given trade on the construction site, layoffs shall be conducted in compliance with the equal employment opportunity and nondiscrimination standards set forth in this regulation, as well as with applicable Federal and State court decisions;

(6) To adhere to the following procedure when minority and women workers apply or are referred to the Contractor or subcontractor:

(i) The Contractor or subcontractor shall interview the referred minority or women worker.

(ii) If said individuals have never previously received any document or certification signifying a level of qualification lower than that required in order to perform the work of the construction trade, the Contractor or subcontractor shall in good faith determine the qualifications of such individuals. The Contractor or subcontractor shall hire or schedule those individuals who satisfy appropriate qualification standards in conformity with the equal employment opportunity and non-discrimination principles set forth in this chapter. However, a Contractor or subcontractor shall determine that the individual at least possesses the requisite skills, and experience recognized by a union, apprentice program or a referral agency, provided the referral agency is acceptable to the Dept. of LWD, Construction EEO Monitoring Program. If necessary, the Contractor or subcontractor shall hire or schedule minority and women workers who qualify as trainees pursuant to these rules. All of the requirements, however, are limited by the provisions of (C) below.

(iii) The name of any interested women or minority individual shall be maintained on a waiting list and shall be considered for employment as described in (i) above, whenever vacancies occur. At the request of the Dept. of LWD, Construction EEO Monitoring Program, the Contractor or subcontractor shall provide evidence of its good faith efforts to employ women and minorities from the list to fill vacancies.

(iv) If, for any reason, said Contractor or subcontractor determines that a minority individual or a woman is not qualified or if the individual qualifies as an advanced trainee or apprentice, the contractor or subcontractor shall inform the individual in writing of the reasons for the determination, maintain a copy of the determination in its files, and send a copy to the public agency compliance officer and to the Dept. of LWD, Construction EEO Monitoring Program.

(7) The Contractor or subcontractor agrees to keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Dept. of LWD, Construction EEO Monitoring Program and submitted promptly to the Dept. of LWD, Construction EEO Monitoring Program upon request.

(C) The Contractor or subcontractor agrees that nothing contained in (B) above shall preclude the Contractor or subcontractor from complying with the union hiring hall or apprenticeship policies in any applicable collective bargaining agreement or union hiring hall arrangement, and, where required by custom or agreement, it shall send journeymen and trainees to the union for referral, or to the apprenticeship program for admission, pursuant to such agreement or arrangement. However, where the practices of a union or apprenticeship program will result in the exclusion of minorities and

SIDEWALK REPAIR PROGRAM - 2024**EXHIBIT B** (Cont.)

women or the failure to refer minorities and women consistent with the targeted county employment goal, the Contractor or subcontractor shall consider for employment persons referred pursuant to (B) above without regard to such agreement or arrangement; provided further, however, that the Contractor or subcontractor shall not be required to employ women and minority advanced trainees and trainees in numbers which result in the employment of advanced trainees and trainees as a percentage of the total workforce for the construction trade, which percentage significantly exceeds the apprentice to journey worker ratio specified in the applicable collective bargaining agreement, or in the absence of a collective bargaining agreement, exceeds the ratio established by practice in the area for said construction trade. Also, the Contractor or subcontractor agrees that, in implementing the procedures of (B) above, it shall, where applicable, employ minority and women workers residing within the geographical jurisdiction of the union.

After notification of award, but prior to signing a construction contract, the Contractor shall submit to the public agency compliance officer and the Dept. of LWD, Construction EEO Monitoring Program an initial project workforce report (Form AA-201) electronically provided to the public agency by the Dept. of LWD, Construction EEO Monitoring Program, through its website, for distribution to and completion by the Contractor, in accordance with N.J.A.C. 17:27-7. The Contractor also agrees to submit a copy of the Monthly Project Workforce Report once a month thereafter for the duration of this contract to the Dept. of LWD, Construction EEO Monitoring Program, and to the public agency compliance officer.

The Contractor agrees to cooperate with the public agency in the payment of budgeted funds, as is necessary, for on-the-job and/or off-the-job programs for outreach and training of minorities and women.

(D) The Contractor and its subcontractors shall furnish such reports or other documents to the Dept. of LWD, Construction EEO Monitoring Program as may be requested by the Dept. of LWD, Construction EEO Monitoring Program from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Dept. of LWD, Construction EEO Monitoring Program for conducting a compliance investigation pursuant to N.J.A.C. 17:27-1.1 et seq.

- d. The Contractor or Subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time, and the Americans with Disabilities Act.
- e. - (B) If the hiring or scheduling of a workforce consistent with the employment goal has not or cannot be achieved for each construction trade, by adhering to the procedures of (A) above,

SIDEWALK REPAIR PROGRAM - 2024

or if the Contractor or Subcontractor does not have a referral agreement or arrangement with a union for a construction trade, the Contractor or Subcontractor agrees to take the following actions consistent with the applicable county employment goal:

- (2) To notify any minority and women workers who have been listed with it as awaiting available vacancies;
- (3) Prior to commencement of work, to request the local construction trade union refer minority and women workers to fill job openings, provided that the Contractor or Subcontractor has a referral agreement or arrangement with a union for the construction trade;
- (4) To leave standing requests for additional referral of minority and women workers with the local construction trade union, provided the Contractor or Subcontractor has a referral agreement or arrangement with a union for the construction trade, the State Training and Employment Service and the other approved referral sources in the area until such time as the workforce is consistent with the employment goal;
- (5) If it is necessary to lay off some of the workers in a given trade on the construction site, to assure, consistent with the applicable State and Federal statutes and court decisions, that sufficient minority and women employees remain on the site consistent with the employment goal; and to employ any minority and women workers so laid off by the Contractor or any other construction site on which its workforce composition is not consistent with an employment goal established pursuant to rules implementing N.J.S.A. 10:5-31 et seq.;
- (6) To adhere to the following procedure when minority and women workers apply or are referred to the Contractors or Subcontractors:
 - (i) If said individuals have never previously received any document or certification signifying a level of qualification lower than that required in order to perform the work of the construction trade, the Contractor or Subcontractor shall determine the qualifications of such individuals and if the Contractor's or Subcontractor's workforce in each construction trade is not consistent with the applicable employment goal, it shall hire or schedule those individuals who satisfy appropriate qualification standards. However, a Contractor or Subcontractor shall determine that the individual at least possesses the requisite skills, and experience recognized by a union, apprentice program or referral agency, provided the referral agency is acceptable to the Division. If necessary, the Contractor or Subcontractor shall hire or schedule minority and women workers who qualify as trainees pursuant to these rules. All of the requirements, however, are limited by the provisions of (C) below.
 - (ii) If the Contractor's or Subcontractor's workforce is consistent with the applicable employment goal, the name of any interested women or minority individual shall

be maintained on a waiting list for the first consideration, in the event the Contractor's or Subcontractor's workforce is no longer consistent with the applicable employment goal.

- (iii) If, for any reason, said Contractor or Subcontractor determines that a minority individual or a woman is not qualified or if the individual qualifies as an advanced trainee or apprentice, said Contractor or Subcontractor shall inform the individual in writing of the reasons for the determination, maintain a copy of the determination in its files, and send a copy to the Public Agency Compliance Officer and to the Division.
- (7) To keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Division and submitted promptly to the Division upon request.
- (C) The Contractor or Subcontractor agrees that nothing contained in (B) above shall preclude the Contractor or Subcontractor from complying with the union hiring hall or apprenticeship policies in any applicable collective bargaining agreement or union hiring hall arrangement, and where required by custom or agreement, it shall send journeymen and trainees to the union for referral, or to the apprenticeship program for admission, pursuant to such agreement or arrangement. However, where the practices of a union or apprenticeship program will result in the exclusion of minorities and women or the failure to refer minorities and women consistent with the county employment goal, the Contractor or Subcontractor shall consider for employment persons referred pursuant to (B) above without regard to such agreement or arrangement; provided further, however, that the Contractor or Subcontractor shall not be required to employ women and minority advanced trainees and trainees in numbers which result in the employment of advanced trainees as a percentage of the total workforce for the construction trade, which percentage significantly exceeds the apprentice to journey worker ratio specified in the applicable collective bargaining agreement, or in the absence of a collective bargaining agreement, exceeds the ratio established by practice in the area for said construction trade. Also the Contractor or Subcontractor agrees that, in implementing the procedures of (B) above, it shall, where applicable, employ minority and women workers residing within the geographical jurisdiction of the union.

After notification of award, but prior to signing a construction contract, the Contractor shall submit to the Public Agency Compliance Officer and the Division an initial project workforce report (Form AA 201) provided to the public agency by the Division for distribution to and completion by the Contractor, in accordance with N.J.A.C. 17:27-7. The Contractor also agrees to submit a copy of the Monthly Project Workforce Report once a month thereafter for the duration of this contract to the Division and to the Public Agency Compliance Officer.

The Contractor agrees to cooperate with the public agency in the payment of budgeted funds, as necessary, for on-the-job and/or off-the-job programs for outreach and training of minorities and women.

- (D) The Contractor and its Subcontractors shall furnish such reports or other documents to the Division of Contract Compliance & EEO as may be requested by the Division from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Division of Contract Compliance & EEO for conducting a compliance investigation pursuant to Subchapter 10 of the Administrative Code (N.J.A.C. 17:27).

SIDEWALK REPAIR PROGRAM - 2024**Section 7. Acknowledgement of compliance with Section 11 of Chapter 150 of the Public Laws of 1963 (C.34:11-56.35 et seq.)**

Contractor hereby acknowledges its duty to comply with C.34:11-56.35 as amended by P.L. 2019 c.158. This statute allows the Commissioner of Labor and Workforce Development to immediately issue a stop-work order if it makes an initial determination that an employer has violated the Prevailing Wage Act by paying wages at rates less than the rates required under the act. Such stop-work order will remain in effect until the employer has agreed to pay the required wages, any wages due and any penalty, and the Commissioner of Labor and Workforce Development issues a subsequent order releasing the stop-work order. If the stop-work order is issued against a subcontractor, the General Contractor has the right to terminate such subcontractor. A \$5,000 per day civil penalty may be imposed against any employer violating the stop-work order. Furthermore, the Department of Labor and Workforce Development is entitled to enter the place of business during usual business hours to determine compliance with wage and hour laws by examining payroll and other records, interviewing employees, calling hearings, administering oaths, taking testimony under oath and taking depositions to determine compliance with wage and hour laws. Any employer or agent of the employer who willfully fails to furnish time and wage record or who refuses to admit the Department into the place or who hinders or delays the Department in the performance of duties may be fined not less than \$1,000 and will be guilty of a disorderly person offense, with each day of continuing noncompliance or hindrance constituting a separate offense.

Contractor hereby agrees that it shall not submit any change order for increased compensation related to delay, remobilization, liquidated damages, or other similar grounds resulting from a stop-work order issued under this law, regardless of whether the underlying violation was intentional or unintentional, or whether such violation was committed by the Bidder or any of its Subcontractors.

Section 8. Furnishing of Maintenance Bond.

The Contractor shall be obligated to provide a maintenance bond to the Township following the completion of services under this contract, pursuant to the bid specifications.

Section 9. Liquidated Damages.

In the event of the failure of the Contractor to fulfill its obligations hereunder within the time stated herein, the Contractor shall be liable to the Township in the sum of *Seven Hundred and Fifty Dollars (\$750.00) per day* for each day the contract remains incomplete. The sum shall be treated as liquidated damages and not a penalty for the loss of the Township of the use of the premises in a completed state of construction, alteration or repair and for added administrative and inspection costs to the Township on account of the delay; provided, however, that said liquidated damages shall be in addition to other consequential losses or damages that the Township may incur by reason of such delay, such as, but not limited to, added cost to the project and the cost of furnishing temporary accommodations for Township operations. Any such sums for which the Contractor is liable may be deducted by the Township from any monies due or to become due to the Contractor.

The said amount is fixed and agreed upon by and between the Contractor and the Township because of the impracticality and extreme difficulty affixing and ascertaining the actual damages the Township will suffer.

SIDEWALK REPAIR PROGRAM - 2024

Section 10. General Conditions.

- a. This Agreement incorporates by reference all provisions of the bid documents, including specifications and general conditions and instructions to bidders. This Agreement and the bid documents supersede all other representations and understandings between the parties.
- b. This Agreement is binding upon the Township, its successors or assigns and upon the Contractor and its successors. This Agreement may not be assigned by the Contractor.
- c. The Township shall recognize only the Contractor for the proper execution of this Agreement and work performed under this Agreement in accordance with the Contract Documents. Approval of a Subcontractor by the Township in no way relieves the Contractor from full responsibility for fulfilling all conditions of the Agreement.
- d. This Agreement shall be governed by and interpreted under the laws of the State of New Jersey.
- e. Any notices to be given under this Agreement shall be via first-class mail, addressed to the respective party at the address first appearing in this Agreement.

IN WITNESS WHEREOF, the Township has caused this instrument to be signed by its Mayor, attested to by its Clerk and its corporate seal is hereunto affixed, pursuant to a Resolution of the Township Council of the Township of West Windsor passed for that purpose, and the Contractor has set its hand and seal the day and year first written above.
