For Discussion

Mayor/Administration:

Update From Health Officer

Mr. Stevens inquired if the Township receives the number of tick born illness.

Ms. Swanson advised she does receive these reports.

President Mandel inquired if the Township is going to continue to hold COVID Clinics since we are currently showing our area is in the low zone for outbreaks.

Ms. Swanson advised clinics will continue through at least June and information regarding boosters is not available at this time.

Ms. Swanson noted one of the grants she received is to educate assisted living facilities to address infection control. She advised the training will be adapted to each facility and their needs.

Ms. Swanson reported during the past dog licensing cycle there was a reduction. She advised dogs over 6 months must be licensed yearly.

After a short discussion additional information will be posted on the Township web-site advising dog owners of their responsibilities.

Ms. Swanson also noted there will be a COVID Clinic tomorrow from 2:00-4:00 p.m. at the Senior Center for individuals eleven (11) years of age and older.
