Silver Star – THOMAS ROY GROVER Awarded for actions during the Vietnam War

The President of the United States of America, authorized by Act of Congress July 9, 1918 (amended by an act of July 25, 1963), takes pride in presenting the Silver Star (Posthumously) to Specialist Fourth Class Thomas Roy Grover (ASN: US-51978915), United States Army, for gallantry in action while engaged in military operations involving conflict with an armed hostile force on 2 February 1969, while serving as a member of a night ambush patrol with Company D, 2d Battalion, 3d Infantry Regiment, 199th Infantry Brigade (Separate) (Light), in the Republic of Vietnam. On that date the night ambush patrol came under intense enemy fire from a concealed enemy force. Specialist Grover immediately and unhesitatingly left his relatively safe position and entered an exposed area where most of his comrades were located in order to provide suppressive fire and direct them to safety. Only after his comrades reached a safe area did he seek cover for himself, and while moving to another location he was fatally wounded. His unselfish actions contributed significantly to the defeat of the enemy force. Specialist Fourth Class Grover's valorous actions and devotion to duty, at the cost of his own life, were in keeping with the highest traditions of the military service and reflect great credit upon himself, his unit and the United States Army.

General Orders: Headquarters, II Field Force Vietnam, General Orders dated March 13, 1969)

Action Date: February 2, 1969

Tom's tour in Vietnam would have ended in three weeks following his death. He had spent forty five weeks in the field, yet he was willing to give his life to save his men. At the time of Tom's death, I (Ted Grover) was home on leave waiting to be deployed to Vietnam. Since I was also an infantryman, Tom oftentimes expressed his concern regarding my service there. He was well aware of the perils of trying to survive day to day in a jungle war. He was also aware that if he was killed in Vietnam, the Army would not deploy me to a war zone.

It is important to stress on Veterans Day that when a soldier is killed in war, it has a very serious impact on his/her family & friends. This impact is not only grief, but guilt and regrets.
