

## **CHRISTMAS TREE COLLECTION**

**Starting December 27, 2023.** Public Works will begin curbside collection of Christmas Trees. You DO NOT need to call to schedule a pickup of a Christmas Tree. All lights, ornaments, garland, tinsel, nails, stands & plastic bags must be removed prior to placing your tree at the curb for collection. Artificial trees are not part of this collection program. If you want to dispose of an artificial tree, you would place out for your regular trash collection.

**Final day for curbside collection is Monday, January 22, 2024.  
Please place at curb by 7AM for collection.**

**As a reminder, you can bring your Christmas Tree to our  
Public Works Facility located at 70 Southfield Road during  
Resident Drop-Off hours :**

**Monday—Friday 8AM—2PM and Saturday 8AM—12PM,  
excluding holidays.**

**At our Public Works location, please remove from the tree bag  
prior to placing the Christmas Tree in our brush pile.**
