## Team Member Sign-In:

Welcome to the first public workshop. Thank you for taking time to join us tonight. The people who will be seated with you at this table will be your "Visioning Team" for tonight's event. You will be asked to discuss the redevelopment area with them, and to work together as a team to reach a consensus about goals, objectives, and priorities for the redevelopment area. Your input will directly affect the work that will take place next.

Please take a moment to introduce yourself to your fellow neighbors and teammates for tonight. Then, complete this table sign-in sheet for our reference. Please print clearly.
