### **West Windsor Redevelopment Website Announced**

Mayor Shing-Fu Hsueh is excited to announce that a new website specifically related to the West Windsor *Area in Need of Redevelopment* has been activated to provide residents, local business and property owners, and other stakeholders with up-to-date news and information concerning the planning process about to be initiated by Hillier Architecture. The new website address is [www.WWAllAboard.org](http://www.WWAllAboard.org). While information on the Area in Need of Redevelopment has been posted on the Township's primary website up to this point, this new website is dedicated to the meetings, information, and other components of this process going forward. All those interested can log on to the new website directly or reach the site through links on the Township website [www.WestWindsorNJ.org](http://www.WestWindsorNJ.org).

In addition to redevelopment-related information, members of the public that visit the new website may also register online for all three (3) of the upcoming interactive public workshops or "charrettes" scheduled for Thursday, February 22, 2007, from 7:00 PM to 10:00 PM at the Hyatt Hotel in West Windsor; Saturday, March 17, 2007, from 9:30 AM to 12:30 PM at West Windsor-Plainsboro High School South in West Windsor; and Thursday, April 19, 2007, from 7:00 PM to 9:00 PM at the Grover Middle School in West Windsor. Registration may also be made in-person at the Municipal Building located at 271 Clarksville Road or by calling the Township at (609) 799-2400.

## **SHING-FU HSUEH, MAYOR**

Please note that online, in-person, and/or phone registration for each workshop is requested by the Township for event planning purposes but not required. Any resident or other member of the public who is unable to register or decides not to register is still welcome to attend and fully participate in all three workshops.
